

Housing Report

By: Connie Hoffman, SIHA Director

An important note to those who have applications on file at our office for any of our Housing Programs--Mutual Help, Section 8 Vouchers, or the new apartments. Please keep us updated with changes in address, family size, and income. Periodically we send out notices that REQUIRE your response. Be sure that you respond by the date listed in order to keep your application on the active waiting list.

Applicants are selected for housing according to a system of federal preferences. If you are claiming a preference, you must submit documentation of the preference that you are claiming. Our application packets contain complete information about the preferences and the documentation that is required. Please read it carefully and ask for help from either Angela Benedict or myself, if you are not sure how to complete the preference form.

We're pleased to report that things are falling in place for the start of our apartments this summer. We hope to be ready to award the construction contract by late August.

We're planning a series of summer activities for the youngsters who live in the Silatchee Park housing. LeiLani Cordova, our Housing Counselor, will be conducting these activities, with assistance from Oregon State University's Extension Service, whom we contract with to do our counseling program.

Pamela Payne- Logo Winner

Congratulations goes to Pamela Payne for winning our "1994 Nesika Illahee Pow Wow Logo Contest". The Pow Wow Committee felt Pam's drawing best represent our Siletz culture and as a winner she won \$50.00.

Competition Dance Sponsors

Once again the Nesika Illahee Pow Wow Committee is looking for sponsors for the Competition Dance categories. Last year, the response was overwhelming. The Committee is deeply grateful for all the support given by the many individuals and organizations who offered their support and would like to thank the Dancing Again Singers and the Whitehead family for again sponsoring categories this year. If you or your organization wish to sponsor any one of the categories listed, please contact Karen Bell at (503) 444-2416 or 1-800-922-1399 or write to :
