

Whirl Winds of Time

Taken by surprise in the whirl winds of time,
 No one knew what you was going to do,
 As it seem you was destined to be on your own.
 No one could reason with you on moral of right and wrong,
 You came of age when you were under age
 And now all you seem to do is turn the page
 In the continual sage of life.
 You was head strong in your plight of righteousness,
 Believing yourself omnipotent,
 Up until your glass soul shattered,
 Looking for the friends that you would never except,
 Leitmotive of melancholia,
 The inevitable of enervation of mind and body,
 Abashment of human entity,
 Enigma of enormity's loneliness.
 Taken by suprise in the whirl wind of time,
 No one knew what you was going to do ,
 As it seemed you was destined to be on your own.
 The new breed of fates children,
 The off spring baby boomers,
 More confused with no better answers,
 Denial is large exceptance,
 Don't have to perceive what you don't want to see,
 Another one of lucifer's illusions of choice,
 That leads you astray further away from the entrance of
 heaven,
 Innocent angels lost to never recover from being casualties
 of war that will end in armageddon
 As they grow innocence is replaced with learning
 The more they learn the less innocence they have,
 The teaching that is offered, horrid, horrid
 Can you believe, be clean and poison the water,
 Bugs are yuckie so poison the soil,
 Cars are cool so pump up the oil,
 And make the crust of the earth change as earthquakes
 come and
 People are made to believe nature's on the move.
 Backwards is modern times
 The farthest reaches of lifes true meaning of creation's
 reality,
 Any wonder the rage lives in the life of so many.
 Value of love is confused in the meaning of lust,
 Where did it start and where will it end,
 As most of the many have been,
 Taken by surprise in the whirl winds of time,
 No one knew what you was going to do,
 As it seems you was destined to be on your own...

Who's on First?

This is a story about four people named Everybody, Somebody, Anybody, and Nobody. There was an important job to be done, and Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized Everybody wouldn't do it. So Everybody blamed Somebody when Nobody did what Anybody could have done!

Don't wait for Everybody, Somebody, Anybody, or Nobody to do it.
