PISCES

Feb. 19-Mar. 20

You are an extremely sensitive person. Your emotions play a large role in your life, sometimes to a fault. Often, you are more concerned with those around you than with yourself and are at your best when helping others. The few thoughts about yourself tend to be dominated by lack of confidence, and this is not fair. You must make an effort to give yourself the quality time you so freely give to others. Don't let your sensitivity get the better of you.

At work: Pisceans are at their best when fighting for others' rights. They are dedicated workers and will bring fresh ideas to even the most boring pursuits. You can count on your Pisces boss to do whatever it takes to get you the help you need.

Famous Pisceans: Gloria Vanderbilt, Erma Bombeck, Tony Randall, Ralph Nader, Dinah Shore, Theodor Geisel (Dr. Seuss).
