

CHAMPIONS

By: Chuvonne Williams

Congratulations! To the Siletz men who played hard and took 1st Place in the Warm Springs Invitational Slo-Pitch Tournament. Good job guys, especially to Willie Metcalf who received MVP and Leon Metcalf who received BEST BAT!

The team really showed that anything is possible. This was a double elimination tournament and the guys lost their first game on Saturday and had to play another, in which they had to come back to win in order to stay in the tournament. Sunday the men were ready to play and nothing could stop them not even the 100 degree weather! They played six games and four out of the six games they won by ten. The last two games were the championship games and they wanted it too much to lose and it showed by their winning attitude and how they played on defense. Keep playing hard and never give up!

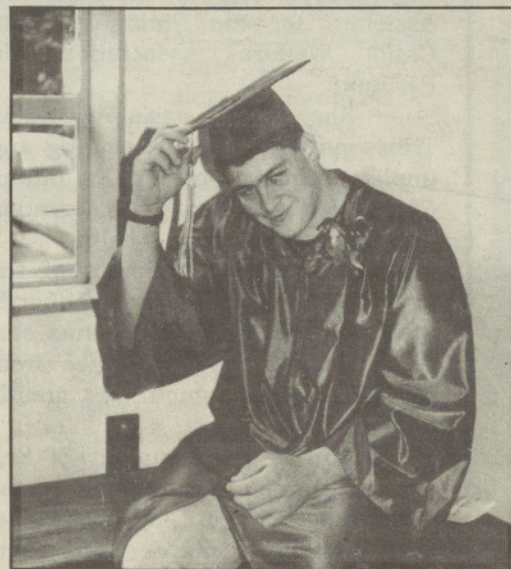

Team Members Included:
