Council Report

From: Rosemary Landis

It has been several busy months since my last report to you. I hope that my time sheets have kept you apprised of my activities.

Two days at the health clinic began my duties for July. The Alcohol and Drug director has been hired. This new position will enable the clinic to add new components to treatment, including prevention activities.

On the 10th, the tribal court task force held a meeting in Portland to finalize recommendations to Council for court recognition. We also attended the hearing regarding our Salem property at the Pioneer Court House in the afternoon. The decision might not be received for six months or longer. The next day was spent in Salem discussing health issues with the State of Oregon and the Western Oregon Service Unit tribes. Cow Creek, Coquille and the Coos tribes are going to start a Southern Oregon Service Unit to provide health services. This will entail some changes at Chemawa. Grand Ronde and Siletz will make up the Northern Service Unit at Chemawa. Further meetings will provide specific decisions. Contrary to rumors, Siletz tribal members can use the health service at Chemawa!!!!

Congratulations to Mary
"Dolly" Fisher on her

"Dolly" Fisher on her appointment to Tribal Council. Dolly was appointed to fill the vacancy on the Council created when Phil Rilatos, Sr. accepted the position of STEDCO Executive Director.
