Don't Quit

When things go wrong as they
sometimes will,
When the road you're trudging seems
all uphill,
When the funds are low and the
debts are high,
And you went to smile, but you have
to sigh,
When care is pressing you down a bit
Rest if you must but don't you quit.
Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you never can tell how close you
are,
So, stick to the fight when you're
hardest hit-
It's when things go wrong that you
must not quit!
