Native Blessing

Like the rain falls into the earth
(Kahkwa okoke snass chuck
klatawa whim illahee)
To join other rain to form a river
(Kopa chako kunamokst huloima kopa
snass kopa mamook chuck)
And the rivers run to the sea
(Pe okoke mamook klatawa kopa okoke
wecoma)
So it is with love
(Kahkwa yaka mitlite kopa ticky)
As it grows endlessly with strength
(Kahkua yake chako hyas mamook opoots
kopa skookum)
And faith with Grandfather to lead the
way
(Kopa iskhum wawa kopa Saghalie Tyee
mamook cooley okoke ooahut)

Ho! Grandfather
(Ho! Saghalie Tyee)
