

(2) **S.T.E.D.C.O.** is supposed to be a money making business. Does it work jointly with J.T.P.A. and GA to put people to work.

(3) **Chinook Winds:** Are GA client's required to apply for job openings at the Casino like other tribe's require their members to do?

(4) **Employment Office:** Do workers really require written proof that GA client's are registered at their local employment office? Again, not what I hear. I don't have to go to the employment office to know that if a person really wants to work, all they have to do is show up at any one of the fish plants when they open and chances are you will be working in no time. Yes, it does take time and effort.

My Family and I would like to take this opportunity to express our sincere appreciation to the Portland Area Office for the care and concern shown to us during the recent death of my husband, George Batten. The staff sent a lovely flower arrangement and cards to his memorial service, and called often to

make sure we were okay. Lily Rilatos cooked and visited. And a special thank you is extended to Toni Matt, Acting JTPA Director, for her understanding. The three of us have been very touched by all of your kindness. God bless.

Emily, Michelle and Katie Batten

HAPPY 7TH BIRTHDAY!
