

## Missing Moccasins

**Missing Moccasins** - Unfortunately, the list of people for whom the Enrollment Department has no valid address is growing. In this edition of the paper we have, once again, placed a list of Missing Moccasins. Please review this list to see if maybe you have an address for these people. Unfortunately, if they are on the list they probably won't have access to a paper, so it is up to you, their family and friends, to let us know how we can get a hold of them. Every year, there are many complaints about Tribal Members not getting ballots or important mailings, but it is that person's responsibility to make sure that the Enrollment Department has an accurate address for you. It only takes a minute to call and confirm your address, or to fill out the address change form published in every newsletter. Please keep in mind we are not all working off the same address list. If you change your address with one department it may not get forwarded to the other departments, so you will either need to call each department or ask that department to forward your address to the rest of us.

### Missing Moccasins

16-Dec-96

|              |                |                |           |              |             |             |           |               |
