CALENDAR/HOROSCOPES

Dec. 21 - Jan. 19

As a Capricorn, you were born to climb, and climb you will, to the top of the social or business ladder. Don't be discouraged by setbacks. Simply regroup and try again. Attempts to take shortcuts will fail. Your goals will be met by following a slow and steady course. Look to others who have taken a similar path, and succeeded, for

inspiration and guidance. Soliciting the advice of older relatives could have unexpected rewards.

At work: Capricorns are steady and sure, attributes that are highly respected in business. You are the one who can be counted on to get the project done, on time, and without mistakes.

The New Year comes and
 the old year goes,
 With hope we look ahead.
 Will it bring riches?
 Will it bring gold?
 Only God alone knows.
 We wish for this,
 We wish for that,
 But wishes sometimes go
 for naught.
 Only time will tell as the
 New Year goes.
 Have we learned to be patient?
 Have we taught someone Love?
 Only God alone knows.
 Are we kind to our neighbors?
 Do we say a friendly word?
 Do we leave people smiling in
 this sad old world?
 Will someone remember you
 when you leave all behind?
 Will they remember your laugh
 or will you leave a frown?
 Do you wake up eager or
 do you wake up down?
 The New Year is here,
 Let's begin it anew,
 Let's be glad we are here,
 "Me & You"!
