

# CHINOOK WINDS, CONTI.

## Job Opportunities

For individuals interested in applying for employment at Chinook Winds here's the scoop: Benefits include competitive wages, a comprehensive benefits package, 104K plan, paid vacation, 7 days holiday premium pay, promotion from within, free transportation employee shuttle, wage increases based on merit, training and development programs and a free meal on your shift.

The Hiring Procedure goes as follows: First the advertisements for job openings are posted in all Tribal Area Offices, in-house bulletin boards, and local papers (if needed). After the applications are received, the managers/supervisors review the applications for the positions in their department. Human Resources then reviews the applications that have been selected by the managers/supervisors and interviews are scheduled. The managers/supervisors and Human Resources personnel then complete the interview applicant rating form and telephone reference check. Finally the manager/supervisor and Human Resources personnel reach an agreement on who they believe are the most qualified applicants for the positions.

After an individual has been hired, they must go through drug screening. They then meet with the Siletz Tribal Gaming Commission and an application for a gaming license is completed and turned in. They are then finger printed, photographed and their application is signed in front of a notary. There is a one day wait for a low security position and an 11 day waiting period for a high security position. If the applicant's gaming license is approved, the new employee must pay a fee (the cost varies with the position) for the license. Gaming licenses must be renewed annually.

Positions open on an ongoing basis: Line chef, dishwasher, line cook, cook III, dining room server, buffet server/busser, housekeeper, valet attendant, heavy duty cleaner, keno writer, arcade/childcare attendant, bingo attendant, cage cashier.

Job openings are posted in each area office as they become open, normally on a weekly basis. Contact your area office for timely information or call 1-888-CHINOOK and ask for the Human Resources Department.

## Other Good News

**Our Head Count is Up & Up & Up...**  
The number of cars in the parking lot and the breathless look on the valets is a good indication of what's happening at Chinook Winds. Take a look at the numbers:

## Women's Wellness Conference

The Siletz Community Health Clinic sponsored the Women's Wellness Conference May 5<sup>th</sup> and 6<sup>th</sup> held at Chinook Winds. Claire Spiro, Physicians Assistant, organized the speakers and activities. Claire invited experts in the field of women's health from around the state to present at the conference. Over 80 participants from Oregon and Washington took advantage of the free two day conference. Women from all walks of life attended sessions which included workshops with topics covering "Your Rhythm and Blues", "Breast Cancer", "Substance Abuse", "Stress Reduction" and many other health related subjects directly affecting women.

The project was funded by a Breast and Cervical Cancer Grant in cooperation with the Siletz Health Clinic. As part of the grant, mammograms were provided to women over 35 by the Tuality Health Care of Hillsboro at a minimal cost, and at no cost to uninsured women. Women were also taught how to do thorough self-examinations which are very important in early detection of breast cancer.

In addition to the accent on health, cultural history was also featured. Siletz Tribe's Culture Coordinator Robert Kentta was the instructor for a Traditional Siletz Basketry Class.
