**3 BILLION
MILES** on B. F. Goodrich
ALL-SYNTHETIC
SILVERTOWNS

HOW GOOD are the all-synthetic Silvertowns we have in stock? Here's the answer—proof supplied by essential drivers. The hundreds of thousands of all-synthetic Silvertowns sold by B. F. Goodrich have already rolled over 3 billion miles, according to the most conservative estimate.

Hundreds of letters from these drivers report complete satisfaction; many of them are confident they will get at least as much mileage from all-synthetic Silvertowns as they ever got from pre-war tires.

So, see us at once if you are eligible for new tires. If inspection shows you need them, we'll fill out and handle your application for these *proven* B. F. Goodrich all-synthetic Silvertowns!
