

MERRY XMAS

Again may you know the fragrance
 Of Hemlock, Pine and Holly;
 Again may friendly voices call
 A greeting warm and polly;
 And again may the meaning of Xmas,
 Deep and still more true,
 Bring Faith and Hope and Gladness
 To the hearts of your's and you.

British Seek "Four Decencies"

After this war is won, British labor will not be content with the four freedoms alone but will also demand four decencies, the 75th annual Trades Union Congress, which met recently at Southport, England, warned government and employers. As defined by the Congress, the four decencies are decent jobs, decent social security, decent education, and decent homes.
