taking his physical soon and we regret very much to see him leave us.

Our new vice president, Mr. Moore, has taken the bit in his teeth and is using all his wiles to gain new members. He advises that his crew at Milwaukie, where he is section foreman for Bill Strohmeier, is 100 per cent now.

Mr. L. W. Gabriel, formerly Chief Operator at the Interstate Bridge, is still unable to work, due to illness. For his sake, and for the hundreds of others over the entire state who have given the best part of their lives to their jobs, we hope that our Retirement bill passes the Legislature during this session.

Albert Swanson, section foreman

helper at Newberg, under Russell Hoch, has returned from Idaho where he has been visiting his aged mother. He formerly was section foreman for the State of Idaho, but states that Newberg looks good to him.

### CHAPTER No. 6—EUGENE

At the last meeting of the Eugene chapter, our delegates, Chester Lyons and Frank Hall, gave a report of the activities covering the program at the General Council Meeting which was held in Salem.

They stated that this chapter's resolution was approved by the body, also one which was presented by the Salem chapter. The purpose of each of these resolutions pertained to the subject of wage increase, so a committee was appointed to follow through on these matters.

Fred Meyers has been on the sick list as he had an operation performed upon his foot.

Roger Bowman is recovering from a recent operation.

We hope that they both will be back on deck soon.
