

CHAPTER NEWS

(Continued from page 15)

The contest is to run until the regular meeting night in February, which is the second Tuesday.

Many members have expressed their interest in Chapter News and it would be nice if we could have news from each chapter for each issue. When you have news, send it in immediately and it will then be available when we publish.

There will be six issues of the Oregon State Employee annually as follows: January-February; March-April; May-June; July-August; September-October; and November-December.

News received before the tenth day of the first month of any issue will appear in that issue and news received

later will appear in the succeeding issue. Send in your news promptly to Marguerite Elder, Chapter News editor, and let's make Chapter News bigger and better.
