### SIAC CHAPTER No. 20

Our genial SIAC Chapter President, L. R. White, came off second best in an amateur boxing match with his little daughter—losing by two falls. However, he recuperated to the extent of presiding over our Chapter meeting of February 20th in his usual efficient and affable manner.

Miss Elizabeth Dotson of the OSEA membership committee, spoke on the membership drive being launched by many of the newer chapters, at our last meeting. Miss Dorris Albin of the Collections Division was appointed to serve on the membership committee with Miss Dotson.

Mrs. Bessie Donaldson, a charter member of the SIAC Chapter, announced her resignation as Secretary-Treasurer of the Chapter and from her position as Assistant Cashier of the State Industrial Accident Commission.

Mrs. Elsie Boston was unanimously elected Secretary-Treasurer for the remainder of this term.

Wayne Price and William Morley were added to the Publicity Staff.

The following item was turned in for publication to express the opinion of every member of the SIAC Chapter: "The SIAC Chapter is very grateful to the State Convention for electing our faithful fellow worker, Homer Carpenter, as Secretary-Treasurer for the Oregon State Employee's Association. Mr. Carpenter is a very alert member of our chapter and we know that he will serve the Association well."

Vi Keller has returned to Salem after a prolonged illness at the Mayo Clinic in Rochester, Minnesota.

Laurence J. Gooley is the proud parent of a baby daughter, Marilyn Jean, born February 24, 1945. Weight 6 lbs. and 12 oz. Mrs. Gooley is the former Mary Schluender who worked in Claims prior to her marriage. The father is doing well, from all outward appearances.

### LIBRARY BUILDING CHAPTER No. 23

Yes, there is a Chapter 23—in the State Library Building. Just because we haven't appeared in the pages of Chapter News doesn't mean a thing—except that we've been struggling to get organized. We received our charter in December, so that our attempts at organization were hampered by the much-believed-in "Christmas rush" as well as by the absence of members on field trips. One of these days we shall even get our By-laws approved!

Our membership includes employees from the Education Department, the Bureau of Labor, the Library, the Parole Board and the Vocational Education Department.

In February one of our most interested members, Mrs. June Moore of the Vocational Education Department, left for Oklahoma to be with her husband who is stationed with the army there.
