shall be applied against the division's payment required for the next fiscal period.

Section 34. If any section, sentence, clause or words of this act shall be held to be unconstitutional, the invalidity of such section, sentence, clause or word shall not affect the validity of any other portion of this act, it being the intent of this legislative assembly to enact the remainder of this act, notwithstanding such part so declared unconstitutional should or may be so declared.

CALLING BOB BURNS

A backwoods mountaineer found a mirror which a tourist had lost.

"Well, if it ain't my old pappy," he said as he looked in the mirror. "I never knowed he had his picture took."

He took the mirror home and sneaked it up into the attic to hide it. But his actions did not escape his suspicious wife. That night while he slept she slipped up to the attic and found the mirror.

"Hum-um," she exclaimed, looking into it, "So that's the old hag he's been a-chasin'!"
