

CHAPTER NEWS

SALEM CHAPTER No. 1

The affairs of this chapter apparently reached an inflated peak at our meeting held the second Tuesday in April, at which time the losers of our membership campaign treated the Chapter to an entertainment of high order. That April meeting was a gala affair, what with the necktie cutting antics of Floyd Query, the blackface comedy of Chet Paulsen and Lowell Shinn, the fine music furnished by a select group of local music lovers, and the copious quantities of ice cream, cake and coffee stuffed into the seventy-five willing mouths of the members present!

Since that unforgettable occasion, our members have gone their various ways with a feeling of well-being and satisfaction and have seemingly been swept away from OSEA matters by the really exciting and important things which have been occurring in the European theatre of war.

Just to prove that there is still a spark of life left amongst us, we take pride in announcing to all that there is going to be one "grandiloquent" picnic

at Dallas City Park July 15th. The picnic will be a pot luck affair, with ice cream and coffee being furnished gratis to one and all by the Chapter. This is going to be put on in a big way through the activities of a special committee, and if any one misses out, he will never forgive himself. All Chapters in Salem are expected to turn out in force, and every Chapter in the State is cordially invited to attend and share in the festivities!

We are hard to satisfy! We're not content with our present membership status, and will start another drive in the near future to reach a goal of not less than three hundred active members. It is expected that the state organization is going to have an active part in the coming campaign, but whether or no, we all will do our part.

The Chapter scribe has been promising some personal items of interest to the members, and about the members. He continues to promise with uncertain hopes that some of you folks will burst forth with voluntary offerings along this line. When you "get something on" a fellow member that is printable, won't you send it in to the editor of this "news" article while it is still hot? Mail or hand in your efforts to "O'Neil the Scribe," Room 317, State Office Building, but please don't blame him for everything that appears herein!

*Reserve the date, Sunday, July 15.
Big annual picnic at Dallas City Park.
Come and bring your family, all state employees.*
