SIAC CHAPTER No. 20

Siac has suffered an irreparable loss in the passing of two of its members, Mr. J. M. Johnson and Mr. Wayne M. Price.

Mr. Johnson had been an employee of the State Industrial Accident Commission for 25 years, and at the time of his death held the position of Chief Correspondent of the Firm Department. His equable temperament and courtesy has made his loss deeply felt by all.

Mr. Price was also an employee of the Commission for 25 years and was the head of the Statement Division of the Firm Department. He was generally loved for his happy disposition, his cheerfulness and helpfulness. Wayne will be missed as long as any of his associates remain here.

Vi Keller, the competent and highly regarded Secretary to Attorney Lafky, on leave of absence because of ill health paid the Commission employees a much appreciated visit on May 4th.

Her many friends in all of the state departments will be glad to know that

she is much improved and that we are looking forward to her complete recovery and return to a daily association with us.

Forrest V. Stewart blazed a trail through the Collections Division the other day by way of his lighted cigarette in a waste basket. Homer V. Carpenter, acting Fireman, heroically quenched the blaze.
