

full cooperation of the members we will win.

The monthly Chapter meeting was held in the Lounge Room of the Public Service Building. The attendance was small in comparison to the number of members which belong. It was decided upon that all meetings would be adjourned until October. Mr. Bryant gave a report on the new membership. Mr. Clarence Wagoner, of the Industrial Accident Commission gave an interesting talk why all State employees should belong to the O.S.E.A.

W. L. (Bill) Campbell of the Motor Vehicle Division embarked on the Portland Rose, May 25, for a 10-day stay in Chicago.

Mr. Dave Bryant, our new chapter membership chairman has done a grand job this last month. The number of new members brought in is 57, and we know that by the time of our next meeting the membership will be increased much more. Keep up the grand work Dave.

The Rose City and Portland Chapters held a joint dance at the Red Men hall Saturday night, May 19. There were many familiar faces from both chapters present. After a Paul Jones feature everyone became better acquainted and got into a happy spirit. We plan to have many more of these gala affairs.

Nota Francis of the Motor Vehicle Division has recently taken a position with the Unemployment Compensation Commission.

Wm. M. Burns, a new member, of the Liquor Commission is doing a mighty fine job of signing up members in his department. Mr. Burns is responsible for about 50 of our new members.

There was quite a bit of excitement for the employees on the main floor of the Oregon Bldg. Seems the skylight gave way after a hard rainstorm and the office flooded over. Advise the

girls to get themselves a boat and some oars.

LIBRARY BUILDING CHAPTER 23

Now that our Library Building Chapter is meeting in the evening, we have had more time to relax and enjoy our meetings and to get acquainted. Many of our members, however, have not had an opportunity to meet the members of other chapters. We will be glad to have guests from other departments come to our meetings on the *first Friday following the fifth* of each month. Entertainment and Refreshment Committees have been appointed for each month until the end of the year, thus assuring something special in addition to our business meetings.

For our June meeting, motion pictures were borrowed from the Game Commission. Especially interesting was the reel showing the salmon fishing at Celilo Falls on the Columbia. Most of us didn't realize that Oregon salmon are so large they have to be knocked out with clubs, while you hope they don't get you first!

Mr. C. F. Feike, Acting Director of Vocational Rehabilitation, spoke at our July meeting. He told us about many of the interesting highlights and activities of the very fascinating field of vocational rehabilitation. We like this idea of finding out about the activities of various departments and will probably carry out this very good beginning with later talks about other departments.

Dr. Vern Bain of the Education Department has taken over the duties of president of our chapter. Winston Purvine, formerly holding that office, has been spending most of his time away on field trips. Thus he felt it was necessary for him to turn over his duties to "a more resident president," as he expressed it.
