

that unless he already owned the hog he had better delay its acquisition until suitable provision could be made for its comfort.

Walter Greene's oiling crew and Chuck Hedrick's patching crew have moved out of the district and it seems lonely without them. But the good men do, lives after them. We've heard many compliments upon the work they did.

James Brown, former time keeper on W. M. Gibson's Paving Crew No. 9, has been transferred to the John Day Office as officeman. Miss Lois Laughlin, who was chosen first for the job found at the last moment that she could not accept. Mr. Coffey had intended to show Miss Laughlin the ropes and then take a business trip before his daughters started to school but when she informed him she could not take the position it was too late for Mr. Brown to take over before Mr. Coffey left, so the foremen and men were without Coffey or a Coffey substitute for a few days.

CRATER LAKE CHAPTER No. 16

The Crater Lake Chapter No. 16 held two meetings in August. One regular meeting was held in Grants Pass

and a special meeting in Medford, August 27 and 28. The purpose of the meeting was to entertain the employees of Josephine and Jackson Counties.

Both meetings were well attended with about 60 members and visitors at each meeting. Forrest Stewart, our Executive Secretary, attended both meetings and explained the Civil Service bill and Pension bill. He also discussed the aims of the Association and the things we must work for. At the close of each meeting, lunch was served to all present.
