## Found in the BEST of COMPANIES

A product, also, is known by the company it keeps. It has to be good to be accepted. HYSTER products are closely identified with all progressive companies, large and small, in all branches of industry. That's because HYSTER-built tractor winches, mobile cranes, fork lift trucks and straddle trucks are geared to the times. They lift, they pull, they transport all kinds of materials—**mechanically.**
