

can be heated so we are quite comfortable. The days are warm but it gets chilly at night and in the morning. The weather is much like fall in Oregon.

"Our area is about eight miles from Keijo, the capital of Korea, and a city of well over half a million people.

"I am still in doubt as to when I will be returned to the States for discharge. Except for taking care of my squadron troops until they are provided for under other command, I feel as though my job here is done and I want to be home with Dorothy and back on my job."

A plan for adjusting salaries of city employees in accordance with the cost of living index of the United States Bureau of Labor Statistics has been adopted in Lodi, California.

Columbus, Ohio, has created a wage adjustment commission of five citizens appointed by the mayor to serve without pay for the purpose of studying the classification and standardization of all positions in the city service.

At the recent session of the Florida state legislature a bill was passed giving Tampa a new civil service board and changing the method of filling these positions.

VOX POP

"Just one big happy family." That old adage correctly describes the State Employee, speaking collectively. Out of 6721½ State employees there has not been one gripe in four months, four months gentlemen, one hundred and twenty three days.

The Vox Pop editor has less to do than the man who counts the new cars in an auto factory or a checker in a saw mill.

Retirement is a desirable condition to work for but ye ed was surprised—yea amazed that he was given the bums rush along with "Little Flower" LaGuardia at such a tender age. Oh well, it leaves more time for hunting.

A lady swept into a bank with such a commanding air that the president of the bank thought he should ask her if there was something he could do. There was—he signed for a telegram.

If you have begun to accept things as they are, and quit trying to change them, you're growing old.

A modern girl is one who can meet the wolf at the door and come out with a fur coat.

It is futile to worry about yesterday or tomorrow and it is foolish to worry about anything so temporary as today.
