highlights of some of his experiences. He has bought a home in Roseburg and is working in the Division there.

Mr. J. C. Chapman and family spent the Christmas holidays with relatives in Corvallis and Sweethome.

George Baker and family spent the holidays with Mr. Baker's mother at Hillsboro. It must have been a swell vacation for he had to spend two or three days in bed resting as soon as he got home.

Kirk Lawrence has been off for several days due to sickness, but we hope he will be back to work soon.

Erwin Clark spent a few days in Salem during which time he attended the Board of Directors meeting. He brought back a lot of information for the members here. If it wasn't for Erwin we wouldn't know half of what is going on in this organization.

BEND CHAPTER No. 3

The December meeting of the Bend Chapter was one of the most successful, best attended and most interesting meetings of the history of the Chapter for many reasons, chiefly, the attendance of returned state employees from the armed services overseas, giving all a chance to get acquainted again and revive some of the old experiences and hear about the new ones.

Election of officers for the year 1946

highlighted the meeting with the candidates running neck and neck, creating an air of suspense until the results were read. The winners were heartily congratulated by everyone and given a warm send-off for the coming year's activities.

The meeting was held at a popular restaurant in Bend, the Chapter standing the expense of the turkey dinner. Now, dear reader, dispel your fears, for it was not the turkey dinner alone which brought the large attendance; it was just the meeting as this Bend Chapter (you don't have to be told this) is a most enthusiastic and loyal bunch.

Chester E. Paulsen from the Salem Chapter was a visitor, and because he let it be known he had counted ballots in the Salem election, he gladly agreed to be the neutral in our ballot counting.

Short talks were given by Ed Morelock and Wayne Lithgow, both returned Seabees. Other World War II veterans introduced were: Ewald Radmacher, Dale L. Woods, Howard S. Cox, R. F. Crouch, Clifford Bright and G. A. Monroe.
