

District Director Forrest Cooper gave a short resume of the Association's history, activities and accomplishments to date for the benefit of the veterans and others who have been unable to attend previous meetings. Needless to say this was enjoyed by all as such a record is one to be proud of and the story never grows old.

We are wishing our new president, Mr. Jack Vaughn of Redmond and his staff officers, a successful and pleasant year and pledge our continued support and cooperation in administering the affairs of the Chapter.

After contacting several of the foremen I was unable to gather any news worthy of the name, however, there was one incident that occurred here at Corvallis during the flood that we consider worthy of mention. The water was high and getting deeper every second. The section foreman had not taken his clothes off for three days. On the third day his little black Spaniel showed up at the Maintenance headquarters and walked directly over to her master. Joe just took one look at her and remarked: "I guess she got my scent. I must go home and change my underwear."

KLAMATH FALLS CHAPTER

No. 12

Our culinary experts, Chuck Dougherty and Don Bailey really outdid themselves at our last O.S.E.A. meeting, January 16th. Boy! What oyster soup! Oh well—none of us were very hungry anyway.

By the way, members thinking of putting on an oyster feed, just write for Chuck's cook book, "TIMELY HINTS AND SHORT-CUTS IN SOUP MAKING."
