

last week. Traffic was held up for awhile but diligent work on the part of the maintenance crews soon got the traveling public on its way again.

TILLAMOOK CHAPTER No. 15

At our December meeting election of officers was held. We voted to change our meeting night from the third Friday to the second Friday of the month. We had quite a large turnout, with Nehalem, Brighton and Tillamook being represented. We miss the members from Hebo and hope they will attend meetings soon. After our business meeting coffee and cake was served. All had a very enjoyable evening.

CAPITOL CHAPTER No. 19

Chapter No. 19 appears headed for another fine year with James H. Turnbull elected President and C. V. Richardson, Vice President. Garland Hollolow continues as Secretary-Treasurer.

We know these men are capable, through watching them perform in other organizations, but they will have to step to come up to the mark set by the departing officers. The Chapter is especially indebted to the retiring President, Paul Gemmell, for his devotion and sacrifices in nursing it through its formative stages into the strong organization it has now become.

A grand Christmas party was staged at the Womans Club on December 20 in conjunction with the PUC Chapter. A group picture of this event is shown on another page. We can't resist making the observation that if those famous old Roman Eaters looked up from hell or down from heaven upon the bounteous supply of roast turkey and hot rolls, they must have had vagrant thoughts of going A.W.O.L.

ROUND UP CHAPTER No. 24

The fact that no news items from the Round Up Chapter No. 24 has not

been sent in to the editor of the O.S.E.A., is not an indication that this chapter has hibernated with the gophers but just that all our writers have been too busy to get it done.

After a summer recess the first meeting of the fall and winter season was held at the Lert Little Theatre in Pendleton on September 5th. After a business meeting two reels of movies were shown which were enjoyed by all present.

The meeting in October was postponed a week so that our Executive Secretary, Mr. Forrest Stewart could be present. A round table discussion was held after Mr. Stewart had made a short talk and many of the questions relating to phases of the Civil Service and Old Age Retirement plan were answered. After the business meeting there were lots of coffee and donuts for dunking purposes.

The November 7th meeting was held on the scheduled date with a good number in attendance. At this meeting new officers were elected as follows: Walter Clerk of the State Hospital, President; Walter S. Hodge of the State Highway, Vice President; and Homer P. Rogers of the State Hospital was retained as secretary. The meeting closed with the showing of two movie films by C. H. Armstrong, which were enjoyed even if the sound part of the film failed to function properly.

Our honorable president, Walter Clark, had the misfortune to sprain his ankle and is temporarily disabled. Get well Walter as our next regular meeting is soon and we will need you.

Lloyd O. Yeck was elected as delegate to the General Council meeting held in Salem in February and C. H. Armstrong was elected as alternate.

Accuracy is the twin brother of honesty.
—Tryon Edwards.
