## LT. MILLER KILLED IN PHILIPPINES

Mr. and Mrs. Earl Miller, formerly of Stayton and now of Portland, have received notification from the war department of the death of their son, First Lt. Philip E. Miller. The report stated that the officer, missing since September 8, 1945, when he failed to arrive at his destination on a flight from Hawaii to Manila, had been killed on Luzon on that date.

Miller, born May 8, 1917, at Yuba City, Calif., was graduated from high school in that city and later attended Oregon State college. A surveyor with the Oregon state highway department at the time of enlisting in the army in June, 1942, Lt. Miller received his commission as a ground officer with the air corps on completion of his training at Scott Field, Ill.
