

## WATCH YOUR BOUNDARIES, SALEM

A paragraph on page 18 of the last issue of our magazine has prompted me to write the following. Probably very few of you know that this Chapter exists, however we do and have increased in membership from 120 members on the first of this year to 160 at this writing.

The article that I mention above is the Government Camp section crew being 100 per cent in Salem Chapter No. 1. I am not sure but believe I have talked to the Foreman of this crew by radio and think the place is located somewhere on Mt. Hood in Division One. We are glad to hear that this crew is 100 per cent in the Association, but do not want you to think that Mt. Hood is in the Salem area. As you have probably heard, California has had Crater Lake in their State, and we do not want Mt. Hood moved out of Division One even though it would still be in the State of Oregon.

For the information of those inter-

ested, the following crews are 100 per cent in Rose City Chapter No. 5 at this writing: North Portland section crew, Newberg section crew, St. Helens section crew, Extra Gang Maint. crew, Cascade Locks section crew, and the Bridge Crew workout out of Portland.

L. J. McReynolds,  
Secretary-Treasurer,  
Rose City Chapter No. 5.

Outside a little church near Los Angeles we noticed the following poster announcing the Sunday's sermon: "Do you know what hell is?" Underneath that question and in smaller type was printed: "Come in and hear our new organist."

"Do you know what one little toe said to the other little toe?"

"No, what?"

"Don't you look now, but I think we are being followed by a couple of heels!"
