

A WORD TO THE WISE--

Oregon State Highway Department

Take advantage of the benefits offered you by participating in the Group Life, Accident and Health insurance plan of the Oregon State Highway Department. Many of your fellow employees are participating. The feeling of security this brings is immeasurable. Many Oregon State Highway employees have received checks each week when forced to stay away from their jobs due to sickness or accident. Loved ones have received payments arranged by Highway employees who had provided for them through group life insurance.

This plan provides financial assistance at a time when you need it most—when income stops and expenses mount.

Payroll deductions make payment of premiums easy.
