Wage problem is the foremost concern.

Harry Broadwell

Employees feel need of more money.

Erwin Clark

Action should be immediate on wage problem.

Forrest Cooper

Growing discontent among state employees. Felt that if our group could get proper recognition we could go a long way toward solving our problems. Employees want action on wages. Employees should be more fully informed on association activities.

E. F. Chidsey

Discussed 10% increase that was asked for at the last General Council meeting. Felt that a greater increase should be made following adoption of the Civil Service. Stated that establishment of the Retirement Act relinquished about 7% of their pay and further increase desired to offset this deduction. Felt that \$10.00 raise was inadequate.
