how the civil service will function, and about the pay schedule set up by the commission. The pay increase, if granted by the next legislature, will not be equal to the pay received by employees of Washington, California, and the Federal Government, but will be substantially larger than we receive at the present time. Mr. Colman answered all questions asked him by the members present.

The meeting adjourned about 10:00 P.M., with everyone having a better idea of the way civil service will operate.

The many friends of Thad Green were sorry to learn that he passed away at the Oregon City hospital, August 17, after a short illness. Thad had just recently returned to the Highway department after being in war work for four years. He had worked for the Highway department for more than 15 years, prior to his going into war work.

In the last issue of *The Oregon State Employee*, the Rose City chapter picnic

at Blue Lake park was mentioned. It has been pronounced a great success. Swimming, boating, dancing, and carnival were enjoyed by young and old, not to mention all of the many good foods.

Claude Moore reports his gang 100 percent in O.S.E.A. The engineering offices are near 100 percent, with about three or four new prospects at this time.
