

The illustration is a black and white woodcut-style scene. At the top, Santa Claus is seated in a sleigh, holding the reins of a team of reindeer. The sleigh is filled with large, round gifts. The reindeer are depicted in mid-stride, pulling the sleigh across a dark sky. A large, bright, circular moon dominates the center of the page, partially obscured by the sleigh and the reindeer. Snowflakes are scattered throughout the scene, falling from the sky. In the lower right, a small, snow-covered cabin with a chimney is visible. A large, decorated Christmas tree stands in the foreground. The overall atmosphere is festive and wintry.

## The Season's Greetings

To all members and friends of the Oregon State Employees Association, we extend our wishes for a joyful Christmas and a prosperous New Year.

At this season of good will, let us take heart from our gains of the past, may we grow in stature and wisdom, and may we look to the future with hope, cheer and tolerance.

May the spirit of Christmas continue in our hearts from day to day that the New Year may bring joy and happiness to all!
