

Norton is most gratified with the splendid turnouts. By the way, we meet the second Tuesday of each month, at 8:00 P.M., in the Armory building, N. W. 10th and Couch. This is a standing invitation to any of you members who happen to be around on meeting night! We'll be glad to have you!

All state employees have a vital interest in the doings of the legislature. There are several bills under discussion at this writing that affect everyone of us. It's not out of line to remind you to "keep your finger" on these things so that you will be well informed.

On the sick list at this writing are Irving Wright and Henry Rohrig. We wish them a speedy recovery and hope they'll be back on the job by the time this appears in print.

State employees who took the recent civil service exams are walking around with looks of anticipation on their faces. (Some appear to be looks of dejection, however.) Notices of "whether you did" or "whether you didn't" pass will probably be in their hands by now. Reminds one of school days, doesn't it. Waiting for announcement of grades in final exams!
