Touring Books Help Vacationists

Are you prepared for an Oregon vacation this summer? Do you know all about the places you see along the road, the towns you drive through and the parks you picnic in? Are you prepared to translate Oregon to your guests and any tourists you may meet casually in your travels?

Does the traveling library for your car include *Oregon, end of the trail*, with its numerous automobile tours which give practically mile-post-by-mile-post notations of and information
