

give his support even though he may do so for only six months.

Meeting recessed for fifteen minutes at 3:30 P.M. and when it again came to order Mr. Morelock took the chair at the request of President White.

Mr. Chidsey remarked that he still hadn't figured what all the discussion was about, but in order to get it off the floor, he moved that the Chair appoint a committee of three to look into the ramifications of the problem and report at the next meeting if there were any points which had not been considered. Motion seconded.

Mr. O'Neil offered the amendment that the committee report to Forrest Stewart and that the matter be put into effect in any manner he might see fit.

Mr. Chidsey said he would allow the motion to be reworded to say that the committee be appointed to clear up the matter and report to Forrest Stewart. Whereupon Mr. Stewart asked if the committee was to have the power to act and Mr. Chidsey said it was to have such power. Motion as reworded was carried.

Mr. White resumed the Chair.

**Item 9 on Agenda: Regarding deduction of dues along with the insurance premiums.**

Mr. Chidsey said he understood some departments considered deduction of Association dues absolutely unconstitutional and he moved that the matter of deduction of dues be dropped and that the Executive Secretary take action immediately to contact the Highway Commission and use what influence he could to get that Commission to make deductions for insurance premiums. Seconded.

Mr. White said it was moved and seconded that no effort be made to request departments to make deduction for dues for the Association, but that the Executive Secretary see what he can do about getting the Highway Commission to allow such deductions to be made for insurance premiums. Motion carried.

**Item 10 on Agenda: Printing of revised Constitution and By-Laws.**

Mr. Chidsey remarked that he thought action was taken at the last Directors' meet-

ing and that a committee had been appointed to handle that item.

Mr. Stewart reported that it had not been carried through because of lack of finances. He also reported that he believed the cost would be about 8 cents a copy.

Mr. O'Neil moved that the Chair appoint the proper committee which is provided for now under the By-Laws to prepare the necessary amendments to Constitution and By-Laws and see that they are printed in accordance with the discretion of the Executive Secretary and in accordance with the resolution. Motion carried.

**Item 11 on Agenda: Regarding assistant to Executive Secretary.**

Mr. Taylor stated that the Library Chapter reported a majority of the Chapter voted no increase in dues, but conceded there should be a drive for new members.

The letter from the Roseburg Chapter was in favor of raising the dues 25 cents a month to the Association in order to pay for the assistant executive secretary.

Mr. Chidsey said a month ago his chapter discussed this matter of increasing dues, but they were strongly opposed to increasing dues inasmuch as they had reduced their chapter dues and formed another
