

boys took the engineers in a softball game, beat us by one point. Another year coming.

It was a beautiful day on the coast and everyone had their fill of ice-cream with all the trimmings.

Would like to thank the boys from the park department for their cooperation. At our last meeting in July Mr. Dade was elected chapter delegate. It was a close race between him and Mr. McKinney, but Dade being an old politician won. Also received an invitation from the Roseburg chapter to their picnic.
—BILL SMITH

SIAC CHAPTER No. 20

The SIAC Chapter No. 20 discontinued meetings during the vacation period but we are looking forward to another successful year, as we resume work in September.

As usual, our members have been reporting interesting trips to the coast, mountains and some have been fortunate enough to have been able to take a real journey to the eastern states, the gulf region and the southern part of the country.

At our final meeting before adjournment we had a pot-luck dinner—a very fine one—followed by a dance. This party was greatly enjoyed by all.

During part of the year we have had joint programs with Capitol Chapter No. 19, which were of interest to both organizations. We have been especially lucky in having some very fine talent each evening—thanks to the efforts of

the entertainment committee of both chapters. Business meetings were held separately, but members of both chapters enjoyed the programs and refreshments together.
