### ROSE CITY CHAPTER NO. 5

News in brief of the Rose City Chapter  
No. 5, O.S.E.A.

By EARL STREAM

At the regular meeting January 14, 1949, the new officers were installed as follows: Ed Rief, President; D. J. Barbee, Vice-President; H. E. (Hod) Roadman, secretary-treasurer.

This event is one celebrated each year by Rose City Chapter No. 5 to kick out the old and ring in the new officers. At that time the secretary-treasurer opens up the old purse strings and out fly Papa and Mama Moth and all the little Mothies with dollars on their wings for this is a gala occasion.

The committee served to 128 a very lovely banquet, old-fashioned steak and all that goes with it, which was enjoyed by all from the size of their

waist lines after the dinner. Mr. Forrest Stewart, executive secretary of the O.S.E.A., was present and as usual made a very fine talk. A short business meeting was held at which time our new president gave a brief outline of his plans for Rose City Chapter No. 5 for 1949.

President Rief had in the mail prior to his installation a mimeographed bulletin outlining his proposed activities for each meeting in 1949 to every state highway employee, member and non-member, under the jurisdiction of Rose City Chapter No. 5. It is the writer's belief that Ed is off on the right foot, as he is stressing public relations and, as a result of an informal meeting held by several of the Engineering employees and Maintenance employees, has the promise of a good number of the Maintenance employees who had dropped out to come back into the fold.
