Acting chairman Sarah Tennis announced a program consisting of accordion solos by Lanny Dibrin, reading by Ruth Verstag of the Civic Theater, flute solos by Marilyn Broer and an interesting report by Ann Gibbens of her trip to New York on the Week-end with Music sponsored by Standard Oil. She concluded her talk with three piano solos beautifully rendered.

Following the meeting, refreshments were served by the committee in charge.

OREGON TRAIL CHAPTER NO. 35 The Dalles, Oregon

The Oregon Trail Chapter meets regularly every month at the Nurses Home or the Employees Dining Room of the State Hospital.

We have had the pleasure of entertaining the boys from the Highway Department at one of our regular meetings.

Our February meeting was a short business meeting followed by a Valentine party. It was well attended and everyone enjoyed a good time.

Six new members have joined our Chapter since March 1st. All the employees from our Chapter have voted to contribute monthly to the Streptomycin Fund for the patients at the hospital.

Everyone is anxiously waiting for the completion of the new employees dormitory so we can all move in.

—Mrs. John Eastman

Oregon highways, leading to the nation's outstanding scenic areas, are ready to welcome many thousands of

motorists expected during 1949, the Oregon state highway commission travel information department reported this week.

The beaver state has more than 7000 miles of highways, exclusive of routes maintained by county sub-divisions and federal agencies, at the disposal of out-of-state visitors. Modern highways bring visitors to every section of the state, from 400 miles of coast-line on east to green valleys, forested uplands, high plateaus and towering mountains.
