R 20, Rose City Chapter No. 5. RESOLVED, that Paragraphs 1 and 2, Section 22, Oregon Laws of 1945, be amended to provide that any unexpended portion of an employees account under retirement system, left following his death while under a disability retirement annuity, shall accrue and become payable to his named beneficiary.

R 21, La Grande Chapter No. 4. WHEREAS, that portion of L. 1945, Ch. 401, Section 18, 3rd paragraph which reads, quote, "may be continued in service for successive periods of one year each, upon written recommendation of the administrative head of his employer that continued service on his part is in the public interest, upon approval of the board," end of quote, tends to circumvent the purpose of the entire Act in that it lends to the false belief that there are indispensable and irreplaceable employees in State service, thereby, defeating the intent of the Act and thwarting the promotional and training phase intended therefore,

BE IT RESOLVED; that the Oregon State Employees Association seek the repeal of the above quoted portion of the Public Employees Retirement Act. Committee combined this with previous resolution which already had been acted upon. (See R 11 above).

R 22, La Grande Chapter No. 4. Request to desist in movement to have

Mr. Morelock stated that adoption of this resolution would be negating previous action and the committee recommended that it do not pass. (Committee recommendation adopted).
