

ALBANY CHAPTER No. 7

At a recent banquet of the chapter in the Cascade room of the Albany Hotel, we had as guests from Salem, Mr. Loren White, past president of the state council, Eugene F. Schmidt from headquarters office, and J. D. Wilson, director of membership.

The main feature of the program was presentation of OSEA pins to all chapter members who had been a member for six months or longer. Cost of the pins was taken care of by the chapter.

Mr. R. M. Smith, past president of our chapter, and now residing in Astoria, was guest speaker.

C. O. Budlong.

SUCCESS CHAPTER No. 30

Success chapter No. 30 composed of employees of the state unemployment compensation commission, state employment service and state industrial accident commission, is proud to report an increase of many new members in the chapter since January 1, 1950. We have exceeded our quota by a large margin.

Plans for our spring party to be given the 14th of April are going ahead. Dancing, bingo games, a program of folk dancing and refreshments are the order of the evening. A large crowd is anticipated. If the party proves to be successful, these get-together parties will be planned more often. The men and women bowling enthusiasts met Saturday evening, April 1, at the Oregon Bowling alleys to battle out the age-old question of the weaker sex. The men were the winners in two games out of three, but the women were the winners in the series in pins. Bowling for the women were Ida Humphreys, Vi Baker, Vi Grilley, Florence Stainbrook and Anita Batson. The men's team consisted of Amos Hitt, Al Charf, Bill Lawless and James Bannister. James Baker and Dave

Humphreys each bowled half of the series to make up the other member which the men were short.

Several teams of state employees' association members for the fall season are planned.

Jane Herman, one of the charter members, is back on the job after a serious illness of several weeks. She spent some time in Minneapolis with her mother while she was recuperating.

Hilda Robb, UC section, is the proud
