

The appointment was made by Mr. Charles Lockwood, State Game Director. Also present of the staff was Carl C. Hill, chairman of the commission, G. E. Howell, Ross Newcomb, Dave Luman and several others. Ross Newcomb, also widely known among the OSEA groups, was appointed chief of fisheries research for the game commission. We feel that these two men are outstanding in their fields and we know their good records will soon be even better. So Jim and Ross, Roseburg chapter 2 wishes to say congratulations.

PORTLAND CHAPTER NO. 17

Chapter 17, Oregon Liquor Control Commission. In the last issue of OSEA magazine we promised a report of our chapter's part in the membership campaign. At that time our gains were practically nil, but preparations had been made and were being carried out that bore fruit. Due to the efforts of all concerned our membership has increased by thirty-one members. This

is still short of the quota given us but we are still determined to fulfill our assignment.
