

Chapter News

(Continued from Page 8)

Several of the members have expressed the opinion that there should not be a monthly meeting — but fewer meetings with better entertainment. The executive council will meet in the near future to discuss this problem. Membership within the Chapter remains at a high level, even though attendance at meetings is rather poor.

AGRICULTURE CHAPTER No. 26

This is the President of Chapter number 26, OSEA, sounding off!

Some days ago we held a short meeting in the Division of Plant Industry office during the noon hour to get an expression regarding a "get together" for Chapter 26. It was the considered opinion of those present that something should be done — and a vote developed in favor of a pot luck dinner. Consequently, committees were appointed to look to their laurels in the Food and Refreshment department and the Entertainment and Clean-Up department. Those in the Clean-Up gang sound like "Who's Who"! March 2nd became the "Date."

Our shin-dig was a big success — wonderful dinner — wonderful time! Following dinner, games were in play, with the youngest and the eldest enjoying himself — dancing followed the games with many a fancy two-step coming to light.

YOUR OSEA can be fun — lets keep up the good work!

SHOP AND FIELD CHAPTER No. 38

OSEA Shop and Field Chapter No. 38 held its regular monthly meeting on March 2 in the Beaver Hall. Since this meeting had been designated as belonging to the ladies — a pot luck dinner was served by the ladies, and thoroughly enjoyed by the men!

Immediately following the dinner, the regular business meeting was held.

WANTED — A new meeting place! On March 10 our meeting hall was severely damaged by fire, leaving us without facilities for future meetings. Please contact your President if you know of another place suitable for our group.
