

OSEA Bowling Trophy Award

To stimulate a spirit of competition among the chapters of the association, to encourage intermingling of state employes from all departments to the end that they become better acquainted with one another, the Oregon State Employes association has awarded an attractive bowling trophy to the Unemployment Compensation Commission team of Portland for the 1950-1951 season.

This trophy is to be a rotating award presented annually for a period of ten years, to the winning team. At the end of ten years, it will be awarded, for permanent possession, to the team having won it the greatest number of times. The team having the trophy in their possession will be responsible for the care and replacement of it during such time.

The first season of 1949-1950 there was one league and the trophy was won by the State Printers. The second season there were three leagues, two in Salem and one in Portland. The University league was won by the State Police. The Capitol league was won by the Public Utilities Commission team. In the playoff, the PUC team came out victorious, but they in turn had to play the UCC team of Portland and lost. The winning team consisted of the following players: Amus Hitt, Paul Kerrick, Chet Kibbie, Al Scharf and Don Baker.

Competition for this award is open to any and all teams composed of state employes of Oregon, who are members of a chapter of the Oregon State Employes association. It is necessary, however, for participating teams to abide by the rules and regulations, governing bowling league play as set forth by the American Bowling Congress.
