

Chapter Secretary And Treasurer

At the request of numerous chapter secretaries and treasurers the following table has been prepared and may be used as a **guide in remitting dues to the headquarters office** during the change-over to the new schedule of dues set by the General Council.

Roughly, chapters will remit an additional 8c per month for **annual** dues for each month they extend into 1952; 10c per month for **semi-annual** dues for each additional month they extend into 1952; and 15c for **quarterly** dues for each additional month they extend into 1952.

It will be noted that the table does not follow this schedule exactly but is arranged to avoid the use of uncommon decimals.

As mentioned above, this table is offered only as a guide for remitting to the headquarters office. Chapters may determine their own procedure for collecting from the members.

Example: For a member paying annual dues in July, the chapter would remit \$5.55, for August \$5.65, etc. For a member paying on a semi-annual basis in July, the chapter would remit the usual amount of \$2.75, but for a

member paying semi-annual dues in August, the chapter would remit \$2.85. There is no change in the amount of quarterly dues until November and none in monthly dues until January 1952.
