

Where Is It?

Name the location of this highway construction scene, the contractors and highway it is located on and win valuable prize. The answer must be post-marked no later than midnight, June 20. A \$25 Series E Savings Bond will be awarded to the person correctly answering the data given above. Submit answers to "Contest," c/o The SENTINEL, 1515 State Street, Salem, Oregon.

Staff Goes Visiting . . .

Insurance was the theme for a recent visit made by Staff members to a District #1 Officers' Council meeting in Portland. Upper photo, l to r, Wylie Graham, Whitney Haltzman, Allan Kahn and Helen McClure. In circle at right, Helen describes coverages of OSEA-OPS insurance program. Lower left is photo taken during meeting of Council Members and at right is Wylie answering questions on other OSEA group insurance plans.

Educators Install . . .

The SENTINEL editor recently accompanied other staff members in visit to OSC Chapter No. 72 in Corvallis and were treated to excellent officers' installation made by Dr. Harry Allan, OSEA Director. Upper right is Roy Saunders, outgoing president, and lower left is Dr. Allan. Other photos are of members and new officers.

DAFFYNITIONS

ELECTRIC CHAIR: "Period Furniture."
BRASSIERES: "Bosom Companions."
COLD WAR: "Nations Flexing Their Muscles."
HAIRCUT: "Fringe Benefit."

BALANCED BUDGET?

Thanks to the many wonderful modern conveniences in the home, American women are freed from household drudgery and can take jobs to try to earn enough money to pay for the many wonderful modern conveniences in the home.

RECOMMENDED READING . . .

THE LAW OF CIVIL SERVICE
By H. ELIOT KAPLAN

This book is one deserving of a place on the shelf of every attorney and administrator concerned with the administration of Civil Service Law. Only one who has devoted a lifetime to the development of Civil Service Law at all levels would have been able to concisely spell out the rights, duties, privileges, immunities, and liabilities of the man working under a civil service system.

Any one of the fourteen chapters of the book would alone merit its inclusion in the library of the department head, personnel officer, or supervising official.

The work, in brief concise language, defines the rights of the person employed under a civil service system, and the rights of the department or appointing authority in the selection, disciplining, discharge and promotion of personnel. There remains little to be desired in the treatment of the topic that could be contained in the covers of a single volume.

It is my prediction that this work will become the working handbook in the field of civil service law and administration. J. D.
