

MEMBERSHIP CONTEST WINNERS COLLECT PRIZES

ALOHA NUI!

Jean and Charles Cady, both OSEA-ers, took advantage of Charles' prize winning draw on December 27 to visit that Paradise of the Pacific, Hawaii, from April 13 to April 20. Rumor has it that the weather was just a little rainy, but after a look at their schedule it is apparent that sunny skies wouldn't have made their visit any more glamorous.

Staying at the Reef Hotel on Waikiki, Jean and Charles experienced the traditional aloha greeting (see picture), their choice of tours of the Island of Oahu or Pearl Harbor, a choice of special evening entertainments in Hawaiian, Polynesian or Philippine style, a Waikiki beach serenade, the famous Kodak Hawaii Hula Show, a Polynesian show and many beach and pool events. (The latter may have been slightly dampened — but oh, that atmosphere!)

Charles made all this possible when his name was drawn at a December meeting of the Board of Directors from among the hundreds in a fish bowl. As winner, he was given the Hawaiian trip. Having qualified for the drawing by submitting the name of a new member. Charles' candidate, Charles P. Curran, who also serves as a Psychiatric Aide at Fairview and is a fellow member of Fairview Chapter No. 57, won a trip to Disneyland.

Now, if Jean Cady had signed up the new member and

won the drawing, she could have been the family heroine. As it is, she is a staunch member of Salem Chapter No. 1, being employed by the State Highway Department.

OSEA's Membership Committee is pleased to have made these trips possible for the Cady's and Curran's and hopes that the impetus gained in membership through this program will be maintained and bolstered as time goes on.

Sweet Music From Now On

President Don Beninger of Fairview Chapter No. 57, winner of the membership contest's merchandise award for the most new members obtained, received \$100 for his efforts — a dollar for each new member, that is. C&K Appliances of Salem, Magnavox Dealers and one of the Salem firms allowing discounts to OSEA members, decided to add to Don's prize by way of congratulating him.

Don is shown with Jim Hartford of C&K, who arranged with the Magnavox people to assist in the award. Don, on the right, is being handed a Magnavox transistor AM-FM radio. This item is actually a sort of bonus. Don's main prize rests directly behind him and Jim — a Magnavox all-transistor portable stereo record player with speakers! OSEA is indebted to C&K Appliance of Salem and the Magnavox Corporation for their kind cooperation in making Dan's \$100 go "a little bit further".
