Nationwide, world's second largest mutual car insurer, can give you low rates. Because you order direct, Nationwide in turn can cut its sales and administrative costs. The savings are passed on to you.

Why OSEA endorses Nationwide

1. You get broader coverage than many other insurance companies provide. (One low-cost Nationwide car insurance policy can protect you seven ways.)

2. You get fast claims service. Nationwide pays over two-thirds of all claims within 72 hours. Over 2½ million careful drivers like yourself rely on Nationwide for broad coverage and fast, personal claims service.

3. You get the name and address of your local claims representative with your policy. Wherever you drive—around the town, around the state, around the country—a Nationwide claims representative is nearby.

4. Nationwide is experienced in serving members of associations like OSEA. In the West alone, five other State Employee Associations endorse Nationwide, as well as the Western Assembly of Government Employees Sponsorship.
