

Attention Association Members:

Who else wants to save up to \$60⁰⁰ a year on car insurance?

Your Association has endorsed Nationwide auto insurance for its money-saving rates and fast, reliable claims service. And, you can choose to have premiums automatically deducted from your pay.

If you own a car, you owe it to yourself to look into Nationwide's low-cost auto insurance. You may find you can save up to \$60.00 a year or even more by switching to Nationwide, now or later.

Why are Nationwide's rates lower?

You buy your coverage from us by phone or mail, which saves us sales costs—and we pass the savings along to you. You also save because we insure careful drivers, which helps keep rates low. And we offer special discounts to multi-car owners and qualified youthful drivers.

What's more, you get an exclusive benefit that makes paying for your coverage especially convenient. If you choose, you can have premiums deducted automatically from your pay.

What about claims service?

You don't have to pay high premiums to make sure you'll get a fair shake if you have a claim. Our people are thoroughly trained to handle accident claims efficiently — and thru our live wire service most times we settle claims within 48 hours after loss is verified.

Would I be dealing with an established, reputable company?

We've been around a long time — over 50 years. Today we are the world's second-largest mutual auto insurer, with almost 4,000,000 vehicles insured in the U.S.

This money-saving insurance plan has been approved by your Association along with 14 other State Public Employee Associations, and is endorsed by the Assembly of Governmental Employees and the Western Assembly of Governmental Employees.

Will Nationwide quote me an exact rate—before I decide?

Call us collect, or mail the "Ratefinder" coupon. If you qualify for this Plan you'll get an exact quote in 10 days—to compare with the premiums you now pay. TIP: if there's a youthful driver in your family it can pay you especially well to check our rates now.

Does your present policy have several months to run? Then just give us your name, address and policy expiration date. We'll get back to you later.

But don't let this opportunity go by! Get in touch with us today.

ANOTHER WAY TO SAVE

By increasing your deductible limits, you can save even more with Nationwide. And you'll still be protected against major loss. Get our rates now; you can change your "deductibles" when you buy your coverage.
