In Brief

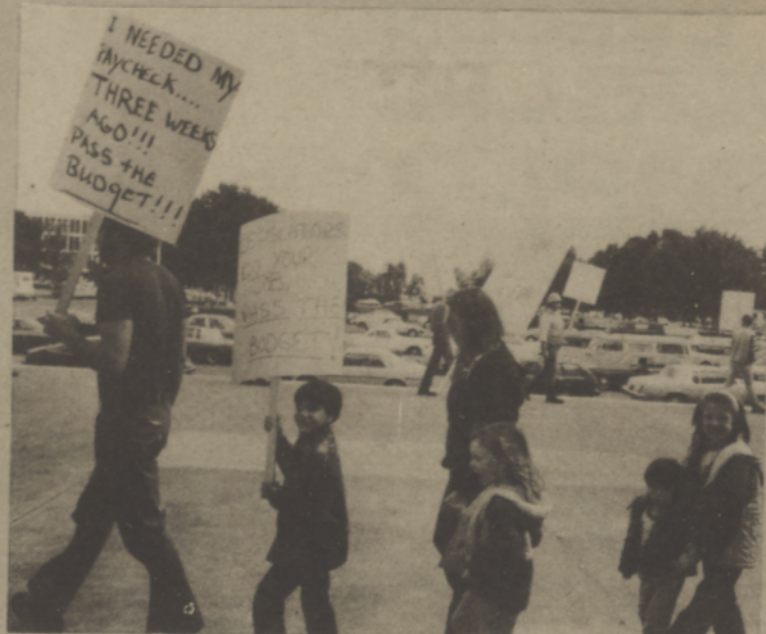

Business Agent Opening at OPEU

OPEU will be hiring a business agent during the next two months.

The position requires the ability to communicate effectively with members and both local and statewide government agencies. Leadership training, organizing and contract negotiation and administration are some of the primary responsibilities of the position.

Interested persons should send a resume and cover letter to Executive Director, OPEU, P.O. Box 12159, Salem, OR 97309.

Two recent openings for insurance specialists at OPEU have been filled. One opened following the June issue and had to be filled before publication of the July issue. Notice of the second position was inadvertently left out of the June issue.

Many State agencies were unable to meet their payroll when the budget-year ended June 30 and the Legislature had not passed a budget. Approximately 60 OPEU members from ODOT locals went to the Legislature to demonstrate and to lobby for an emergency budget authorization and to discuss contract negotiations.

Mental Health Votes OPEU

By a two-to-one margin, Mental Health Division employees have chosen OPEU as their bargaining representative.

Results of the representation election were announced June 24 by the Employment Relations Board (ERB). The vote was 65 for OPEU and 35 for no representation. No other union qualified to appear on the ballot.

This is the first time the 148 employees in the Division has chosen a bargaining representative. Mental Health employees are located at Oregon State Hospital, Dammasch State Hospital, Fairview Hospital and Training Center, Eastern Oregon Hospital and Training Center and satellite offices throughout the state.
