

Reason #1 why your Association endorsed this low-cost Nationwide plan:

Our car insurance could cost you up to \$60⁰⁰ less than your car insurance

Reason #2: You can arrange to have premiums automatically deducted from your paycheck, if you choose.

Your Association and we at Nationwide want to help you save money on your car insurance. As much as \$60.00 a year or even more, on each car you own.

We realize Public Employees as a group are careful drivers, so chances are excellent you can cut your car insurance costs by switching to Nationwide. And with gas prices and service costs soaring, there's never been a better time to act.

Lower Rates and Live Wire Claims Service

Our rates are lower because you buy your coverage by phone or mail, which eliminates needless sales expenses. We also take pains to insure careful drivers, who have fewer accidents. And we offer generous discounts to multi-car owners and families with qualified youthful drivers.

But we don't cut back on claims service. We investigate quickly and settle most claims within 48 hours after loss is verified.

Exclusive Payroll Deduction Option

Under this plan, you can arrange to have your premiums automatically deducted from your paychecks. And forget about the bother of writing checks or the worry of missing due dates.
